RE: Hill County District Court Rulings

As was communicated earlier today, yesterday the judge in Hill County District Court heard two motions filed by Double Diamond and four motions filed by the WBPOA. Late this afternoon we received his rulings.

The two motions filed by Double Diamond were denied.

The four motions filed by the WBPOA were affirmed.

This means that the rulings favored the WBPOA in each issue.

We wanted to get this news to you as soon as possible. As soon as we have sorted through the details and ramifications we will send out another communication detailing what this means.
