TO: All White Bluff Property Owners

FROM: Your Board of Directors

Leonard Critcher, President

RE: Misleading Double Diamond Solicitations

You should be aware that Double Diamond employees are calling White Bluff property owners and identifying themselves as calling from "White Bluff Resort." They are not. They are calling from the Dallas-based Double Diamond corporate offices and are soliciting proxies for Double Diamond without necessarily stating that.

You can be assured that your Board will continue to give you the facts- straightforward and without deception.

I'll ask the question once again- Whom do you trust?
