RE: Golf Course Closure

Due to the impending cold weather, which may include freezing rain and snow flurries, we will be covering the greens beginning late Tuesday morning. As a result, the Old Course will close for tee times at 11:00am on Tuesday and remain closed the remainder of the week. The New Course will open at noon on Thursday, weather permitting. We appreciate your understanding and apologize for the inconvenience, but this is a necessary practice to protect and maintain our excellent greens.
