RE: Update of the 02/15 Double Diamond-Called Meeting

As stated previously, it is the position of the White Bluff POA that the meeting called for 02/15/2017 by Double Diamond is in violation of our governing documents.

On Tuesday, February 7, the attorneys for the POA filed amendments to the pleadings in the existing lawsuit filed in Hill County against Double Diamond. A Temporary Restraining Order (TRO) was requested from the court. A hearing has been set for the judge to hear arguments.

As we have more substantive information available, we will communicate it to you immediately.
