TO: White Bluff Property Owners  
FROM: Your Board of Directors  
RE: TABC Membership Committee

The POA is and will be operating as a Private Club with regards to the sale of alcoholic beverages. This determination by the TABC necessitates that we have a formal Membership Committee. Board Secretary Jim Fletcher will Chair this committee.

The Board is asking for two volunteers to serve on this committee. New members are required to have their Drivers License or other form of identification scanned. Once a week the members of this committee must sign the minutes approving any new members of the Private Club. Members of this committee will need to go by the Administration Building each Monday, review the minutes and sign them.

If you are interested in serving on this committee please contact Jim Fletcher. His email is [fletcher73@windstream.net](mailto:fletcher73@windstream.net).
