TO: White Bluff Property Owners
FROM: Terry Newman, WBPOA Board Member
RE: Board of Directors Positions

In a previously sent email communication I requested that property owners interested in serving on the Nominating Committee send me their desire to do so via email or by calling me. I also asked for property owners interested in serving on the Board of Directors to also contact me.

If you are interested in serving on the Nominating Committee I need to hear from you by March 21st.

If you are interested in being considered by the Nominating Committee for one of the six Board positions that will be filled at the Annual Meeting on May 20th please forward me your resume' by April 4th.

The Nominating Committee will review all submitted resumes' and recommend a minimum of nine prospective Board members to the present Board for consideration in deciding on whom the Board will cast its proxies. All nine (or more) prospective Board members will be on the official ballot.

You should also understand that anyone submitting his/her resume' for consideration by the Nominating Committee and is not on the list recommended to the Board will be placed on the official ballot at the request of the interested property owner.

Nominations made from the floor at the Annual Meeting will also be placed on the ballot.

Your Board wishes to make this process totally open and transparent so that all interested property owners can be a part of a truly democratic process.
