TO: White Bluff Property Owners
FROM: Mike Hicks, Director of Golf
RE: Course Closure

White Bluff has received over 7 inches of rain in the past few weeks and almost 2 inches in 30 minutes this past Friday. Weather forecasts indicate additional rain is expected over the next 10 days. The Old Course has been saturated and is unplayable at this time.

The Old Course will be closed next week on Monday, Tuesday and Wednesday as scheduled. All tee times booked for the Old Course have been moved to the New Course at the same reserved times. If there is a break in the rain, the maintenance crews will be spraying the course for spring maintenance.

It is imperative that we protect the course, and limiting play at this time is necessary. We appreciate your understanding that this temporary inconvenience is needed to assure the course is protected from damage. Additionally, we ask all golfers to adhere to Cart Path Only rules when so instructed. Thank you in advance for your understanding and cooperation.
