TO: White Bluff Property Owners  
FROM: Bill Finney, POA General Manager  
RE: Swimming Pools

Effective today all swimming pools will be closed until further notice. We do not have the staff to continually sanitize the furniture, railings, restrooms, etc. A further consideration in this action is the high likelihood that Social Distancing would be a problem.

We realize that with warmer weather upon us this will cause disappointment; however, this temporary inconvenience is something we must endure for the safety of our community, guests and staff.
