

Dear Board of Directors and White Bluff Residents,

I would just like to thank everyone here at White Bluff Golf Resort for all the support our team and I have received during this past year and a half. The golf courses and the entire development are a beautiful setting for families and friends.

A special thanks to the Greens Committee and all the many volunteers, who helped with many projects both on and off the courses. This allowed us to concentrate on the construction issues.

Hats off to Jimmy T and all the help he gave me coming in and how well our staffs pulled together when things needed to be done. Another shout out to Miss Victoria and all the help she gave me on billing issues and keeping things running smoothly. Amanda, thank you for helping me put a crew together and being a sounding board for numerous questions. Brenda, for keeping an eye on our three- ring circus and keeping me away from the fax machine! Bill, Mike, Mark and entire cart staff, thank you for allowing us to give the homeowners a great product daily. Randy Stewart, Garrett Brown and Ron Gwyn, thank you for all your hard work and helping me get the job done. I couldn't have done it without you. My entire staff for putting up with me for this long and not complaining about long hours and poor working conditions at times. This couldn't have been completed without all of us pulling together. Terry Ehrhardt, Duane Dauphin and countless others, thank you for all your help on this project.

With this being said, Monday the 30th will be my final day as my wife and I will be moving to El Paso, where I will be the Golf Superintendent at the El Paso Country Club and look forward to another re-model. White Bluff residents have a lot to be proud of, and things will only get better. I consider myself very fortunate to be able to help turn around these two properties that sat empty for many months. I wish you all continued success and will be in touch with our many friends we have made during our short stay here. God bless everyone and stay safe.

Sincerely yours,

Gregg Fjelland GC Superintendent
