

WB Golf Courses

Until further notice the golf courses are closed effective immediately. Governor Abbott issued an order this afternoon in a conference call with county judges that golf courses are considered non-essential and must be closed through the end of this month. Our property owners should be aware that this order does not affect getting take-out orders from Mulligan's. Mulligan's will be open for take-out on Thursdays, Fridays and Saturdays from 3:00 - 7:00. Call in your order and pick it up at the Kiosk! White Bluff Strong!
