RE: Post Your Lot for Sale

The WBPOA Board is pleased to let you know that a significant POA website enhancement is almost ready for you to take advantage of.

If you own a lot at White Bluff and wish to sell your lot, the POA is establishing a link on our website that will enable you to POST your lot. This is a service to our property owners. The POA will not be LISTING your lot as we are not in the real estate business. Should your POSTED lot be purchased you will need to involve a licensed realtor or handle the transaction yourself.

The POA will also have information about POSTED lots available in its new office center located across from the entrance to White Bluff.

Stay tuned! This valuable service will be available in a few days.

The Annual Meeting is rapidly approaching, and if you have not granted the POA your Proxy go to www.whitebluffpoa.com and click on the Proxy link. We're working hard to be **part of the Solution, not a part of the Problem!**
