RE: Proxy Procurement Phone Committee

The May 19<sup>th</sup> Annual POA Meeting is rapidly approaching, and we need volunteers to assist the POA in procuring Proxies by serving on the Proxy Procurement Phone Committee.

Physical letters have been mailed to all 6,000+ members of the WBPOA. Property owners are being asked to grant their Proxy to the WBPOA Board so that a quorum can be established, three Director positions filled, helping establish the POA as declarant and helping the **Board Finish The Job!**

Many property owners will not respond to this mailing, and we need volunteers to call them and ask for their Proxy and support for Making White Bluff Great Again. Volunteers will be asked to attend a short meeting led by Board Director, Jim Fletcher. At this meeting our vital volunteers will receive a script to use when calling property owners, questions they can expect and the appropriate answers. You will also receive a list of property owners and contact information so you can call them on your time schedule.

Your Board cannot stress enough how important this effort is to helping us **Finish The Job!** Please volunteer today. Call the POA office (254-694-WBPO) and let them know you want to help. There are no special skills required, only the desire to help the Board control our own future. Call today!
