TO: White Bluff Property Owners
FROM: Your Board of Directors
Leonard Critcher, President
RE: Posting of Lots

From the initial response of property owners, the POA's new lot posting service is being very well received. You should be aware that all postings will also be available in the POA Administrative Center across from the entrance to White Bluff. The POA will maintain a sign at the entrance to our offices informing people visiting White Bluff that they can see the postings inside our office.

We are asking for your help to cut down on the manual time being taken in getting some of the lots posted. We ask that you take your time and complete the required information accurately and completely. Each posting is taking 10-15 minutes to get it on the website because of errors. Here are some common items, which if addressed correctly can smooth out the process:

- Spell your street name correctly.
- Don't reverse your lot number and your section number.
- Find out your street address.
- Make sure your lot number and section number match your address.
- Include your contact information.
- Make sure your email address is accurate.

Your POA is bearing the expense of this service, and your assistance can greatly reduce the costs.

This is yet another indication that your POA is **part of the Solution, not a part of the Problem.**

If you have not already done so you can grant us your Proxy for next month's Annual Meeting by going to www.whitebluffpoa.com and click the Proxy link.
