TO: White Bluff Property Owners
FROM: Bill Finney, POA General Manager
RE: Coronavirus and WB Amenities

As we chart a course through this trying time, we want our property owners to know that we are making constant adjustments in our operations as dictated by the fluid nature of COVID-19.

Golf Courses

The Old Course will be open beginning May 4th and will remain open seven days a week through May 17th. At this time we anticipate that the OC Pro Shop will also be open until 5:00pm; however, circumstances may alter this.

The New Course will be closed while the Old Course is open. During this closure the greens and fairways will be aerated.

Subsequent opening and closing of the courses are yet to be determined.

Mulligan's

Mulligan's will continue to provide take-out service Thursdays through Saturdays between the hours of 3:00 and 7:00 PM. We are looking at revamping some of the menu offerings, continuing specials and possibly expanding the time take-out service is provided. Your support of Mulligan's is greatly appreciated.

Swimming Pools

All swimming pools will remain closed through May 17th.

Lodging

The Bluff Point Condos and the Log Cabins will remain closed through May 17th.

We will continue to monitor the developments with the virus as they occur and will make needed adjustments as we move toward normalcy. All property owners should understand that our decisions are based on what is in the best interests and well being of our property owners and guests. Any inconvenience experienced is temporary. Thank you for your cooperation and understanding.
