RE: WBPOA Board of Directors Candidates

We are pleased to have a total of six declared candidates for the three seats up for election to the White Bluff Property Owners Association Board, with the vote to be held on May 19, 2018. Each of these well qualified candidates have crafted a letter to all property owners outlining their qualifications and motivation for seeking a Board seat. Those letters, along with the resumes of each candidate, can be viewed by clicking on the following link: <http://www.whitebluffpoa.com/board-nomination-letters.html>. We trust that these letters will provide you the insight to make an informed decision on Election Day.
