TO: White Bluff Property Owners

FROM: Your Board of Directors

RE: Golf Courses

The New Course will be officially closed effective Tuesday, May 28<sup>th</sup>. It will be open on Memorial Day. Sprigging of the greens on The New Course will begin immediately and will then move to The Old Course.

**Property Owners are reminded that at no time are ATVs, motorcycles, dirt bikes or personally owned golf carts allowed on the cart paths of either golf course. This rule is in effect whether the golf courses are open or closed.**

Additionally, the next few months are crucial in bringing both golf courses to a state of excellence. It is IMPERATIVE that all property owners and guests stay off all fairways and greens as our crews continue their efforts in getting them beautiful and playable by late summer.

Just another reminder that Mulligan's will be open on Sunday, May 26<sup>th</sup>, from 11 to 3 for Sunday Brunch! Last night's Pre-Opening Celebration was a huge success. Guests were greeted with a Scottish Bagpiper in full regalia and enjoyed a wide sampling of some of the menu items. Mulligan's regular hours will begin on Thursday, May 30<sup>th</sup>- Thursday thru Saturday, 10:30-7:30. Sundays, 11-3. The bar will remain open after 7:30. Come enjoy White Bluff's newest venue!
