RE: Recording of Annual Meeting

The 2018 POA Annual Meeting was recorded and is now posted on the website, [www.whitebluffpoa.com](http://www.whitebluffpoa.com).

On the Home Page click on "Past Meetings."

There are three options for the "May 19, 2018" meeting date. The first one is "President's Remarks." This link will take you to a written format of what was said at the beginning of the meeting by President Leonard Critcher.

The second link is "Video Recording." This link will provide you with full viewing of the entire meeting.

The third link is "Audio Recording." If your Internet speed is slow or you wish to conserve data on your mobile device, this link may work better for you than the "Video recording" link. It will provide you with full audio of the entire meeting.

We are pleased to provide our property owners who were unable to attend the meeting with this opportunity.
