RE: Double Diamond Filed Lawsuit

This is to inform you that Double Diamond filed a lawsuit today against your POA in Hill County District Court. It seeks a Temporary Restraining Order, Temporary and Permanent Injunctive Relief regarding what Double Diamond contends was an invalid election of Directors at the Annual Meeting on May 20th.

The hearing is scheduled for Monday. Your Board will be in attendance and suggests that property owners wait until we communicate to you about the hearing. The communication will be sent out immediately.

Your Board is totally confident that the court will examine the facts and render a fair decision in our favor. Again, we will send you a detailed summary as soon as possible after the hearing.
