TO: White Bluff Property Owners  
FROM: Your Board of Directors  
Leonard Critcher, President  
RE: June 12<sup>th</sup> Hill County District Court Hearing

Your entire Board of Directors attended yesterday's hearing. Double Diamond presented its case for a Temporary Restraining Order. The attorney for the POA answered Double Diamond's pleadings.

The presiding judge issued his ruling this afternoon and denied Double Diamond's request for a TRO. He did instruct the WBPOA to preserve all ballots and proxies, which we are already doing. All ballots and proxies are being maintained in the offices of Timothy, DeVolt & Company, the CPA firm that conducted the election, tabulated the votes and certified the results.
