RE: Independence Day Celebration!

As of this email blast, Mike Ward has denied the use of Double Diamond-leased Corps of Engineer property from which we have always ignited the much anticipated July 4<sup>th</sup> Fireworks Show. Based on DD GM Fred Molsen's emails, we assumed that if the POA paid for 100% of the cost and adequately met the regulatory requirements detailed by Fred, we were good to go. But Mike Ward chose otherwise, and the fireworks are still in limbo as the POA Board continues its efforts to get Mike Ward to rescind his unilateral decision.

**In the spirit of Independence and community, the Board is

**Saturday, July 1<sup>st</sup>**

**Parking Lot Cascade Pool**

**Property Owners, families and guests are free to join the Celebration of Independence and bring their own food, chairs, blankets and beverages of choice and join others for an old-fashioned "July 4<sup>th</sup>" extravaganza. If the fireworks happen, GREAT! If Mike Ward keeps them from happening, GREAT! WE'LL HAVE OUR OWN CELEBRATION! Heck, we may even have a FOOD TRUCK there (we'll let you know).**

**The parking lot will be blocked off at 6:00 PM. Show up early with your picnic baskets, chairs, beverages of choice and dancing shoes and get the best spots!**

**Man/Woman Up Time! We need property owner volunteers to help put this together! If you are willing to serve on the LSMW (Let's Show Mike Ward) Committee email POA President Leonard Critcher and let him know- [leonard@critcher.com](mailto:leonard@critcher.com). Let's show Mike Ward we are family!!**
