TO: White Bluff Property Owners  
FROM: Your Board of Directors  
RE: Golf Courses and Cart Paths

There seems to be some confusion as to the rules governing the current use of the Golf Courses and the Cart Paths.

We would like to reiterate that the golf courses are closed to all traffic other than those directly involved in the renovation of those courses. This includes walking and any vehicle traffic. This is for the safety of residents and employees while we move forward to make our courses great again.

Thank You for Your Cooperation,  
The POA Board
