Leonard Critcher, President
RE: Temporary Restraining Order Hearing

The POA has withdrawn its request in Hill County District Court for a TRO against Double Diamond with respect to parking for the Fourth of July celebration tomorrow night. No hearing will be held.

Double Diamond has agreed that it will not limit use of the parking area serving the Conference Center, Spa, Fitness Center and playground for the Independence Day Celebration being held at the Cascade Pool and parking lot on July 1st. This is the only authorized and permitted parking area for persons attending our event. Property owners and guests will be free to use this area without restriction.

We understand Double Diamond will limit use of The Lighthouse Restaurant parking area to patrons of the restaurant and the hotel parking area for guests of the hotel. Property owners and guests planning on attending the WBPOA Independence Day Celebration should not use or attempt to use the parking facilities at the restaurant or the hotel.

We ask everyone's cooperation.

With this issue amiably resolved, let's all look ahead to Saturday for the first ever, WBPOA Independence Day Celebration, party and street dance.
