TO: White Bluff Property Owners
FROM: Leonard Critcher, President WBPOA
RE: Town Hall Meeting

Your Board of Directors will be having an Open Board Meeting on July 20th in the Conference Center. The formal announcement and agenda will be emailed to all property owners.

At the conclusion of the Board meeting there will be a brief break, and a Town Hall Meeting will begin.

In order to make the Town Hall Meeting as productive as possible, I am asking that property owners email me with specific topics they would like discussed. Advance knowledge of topics will allow for efficiency of discussions at the meeting. This request in no way precludes any property owner from discussing any topic of relevance to White Bluff at the meeting.

Please email your topics to leonard@critcher.com.
