To All Property Owners

RE: Mulligans

Mulligans will not be open for take-out this week, July 30-August 2.

There have been several people possibly exposed to Covid 19 so we are proceeding with all necessary precautions. This decision will be revisited next week as we progress through these challenging times.

Please continue to social distance at all venues, wear masks and stay safe as we all try to protect our community.

Thank you for your understanding and cooperation during this time.
