TO: White Bluff Property Owners
FROM: Your Board of Directors
RE: Rustic Pool and Pavilion

In Saturday's Board meeting, the Board ratified an agreement with Double Diamond that will allow the POA to begin maintaining the Rustic Pool immediately. This agreement will also allow property owners to begin using the pool and pavilion as soon as the pool is brought back to a satisfactory condition.

The POA will begin to bring back the pool furniture and the pavilion furniture as soon as possible.

Once the Rustic Pool and Pavilion have been officially opened, you will receive a notification. At that time property owners will be able to not only begin using this amenity but also rent these facilities on an exclusive basis for parties and family gatherings. They will be available for a half-day or full day rental. If you are interested in booking a reservation for a future time please call the POA office at 254-694-WBPO.
