Danny Morrow Memorial Pavilion

We are happy to report that this fitting tribute to Danny Morrow has been moving along nicely and is scheduled for completion when the Old Course opens next month.

Our incredible volunteers have been invaluable in launching the restoration. The site has been cleared and the pavilion cleaned and professionally power washed. It will be stained, and new ceiling fans installed. However, necessary structural repairs to the pavilion have been identified, and a contractor has been hired to do the work.

Donations of time, outdoor furniture, professional services and cash have been much appreciated, but we still need additional monetary donations to help cover the cost of materials and the contracted labor.

Checks can be dropped off at the POA office – but **please note on your check that the donation is for the Danny Morrow Memorial Pavilion.**

Almost all of the Old Course golfers have had an opportunity to interact with Danny over the years. We all remember what a wonderful and kind person he was, and we know he was a true asset to our experience at the course. This pavilion will preserve his memory as it serves as a gathering place for our golfing community.

Thanks to everyone for your help.
