RE: Water/Sewage Rate Increase Fight

This will be short and sweet. The Rate Payers Group needs funds to continue the fight against the proposed 40% rate increase Double Diamond Utilities has proposed.

The POA Board has graciously renewed its commitment to match dollar for dollar any funds donated for this effort up to another \$25,000. If every Rate Payer would write a check today (\$100+-) we would have more than enough to prevail in this battle. I hope we can count on you to help us continue this fight.

Make your check out to "White Bluff Rate Payers".

Take it by the POA office across from the entrance or mail it to

You may also use our new online payment service to donate by either credit card or by using your Paypal account. Just follow this link to the POA website to Donate.
