Subject: WBRP Update

Yesterday, the PUC sent the attached notice to DDU asking DDU to submit revised tariffs based on the May 21, 2018, number runs by the PUC staff. The rates for WB will be as we expected under these number runs - the water rate is a little higher than the PFD (Proposal for Decision) (\$22.14 v. \$21.15) currently \$31.01, but the sewer rate is substantially lower (\$23.66 v. \$33.23) currently \$41.00. That rate is almost cut in half for sewer. This may be too late to revise the rates for September but could go into effect by October 1, 2018.

DDU has until 8/28/18 to file the revised tariffs.

We are getting closer.

The WBRP Committee wants to thank all of you for your continued financial support and patience in this matter.
