RE: Very Important Dates

**Electronic Voting**

Property Owners may cast votes for Board of Director candidates electronically up until 11:59 PM on September 20, 2020. Electronic voting cannot be done after that time.

If you cast a vote electronically, this automatically revokes any previously submitted proxy.

If you cast a vote electronically, your vote counts toward establishing a quorum.

**Proxies**

Proxies must be submitted to the POA office for validation and recording. All proxies must be submitted no later than 5:00 PM on September 18, 2020. Proxies received after that time will be invalid.

Proxies may be granted to the POA Board of Directors, an individual or entity. All valid proxies on file count toward establishing a quorum.
