RE: Mulligan's Dining

As you are aware, Mulligan's carry-out has been expanded to Wednesday through Saturday, 4:00 to 8:00 PM.

Property Owners and guests are encouraged to enjoy the pleasant weather by picking up your order and dining on the patio or pavilion. Yes, you can order a drink or two but cannot bring your own alcohol as this is a violation of TABC rules.

We do ask those who choose to dine outside Mulligan's to comply with the following:

Wear a mask when arriving or leaving.

Comply with Social Distancing.

Please clean up your trash and discard in the receptacle! We are not staffed for bussing the tables!

Enjoy!
