TO: White Bluff Property Owners
FROM: Your Board of Directors
RE: Town Hall Meeting and Board Meeting

Save the date! Saturday, December 5th we will have a Town Hall Meeting followed by an Open Board Meeting. The Town Hall Meeting will begin at 9:00 AM with the Board Meeting following. Both meetings will be held in the newly refurbished Conference Center. The agenda for the Board Meeting will be sent out next week. Attendees will be required to wear facemasks and adhere to Social Distancing. Because of limited seating, it is suggested that you limit attendance to one person per property owner so the maximum number of property owners can physically attend.

In advance of the Town Hall Meeting you are asked to submit your questions in advance to POA President, Leonard Critcher via email- leonard@critcher.com. This will enable us to address all concerns in an organized and timely basis. Your Board looks forward to addressing your concerns, questions and opinions about the future of our resort.
