RE: Short-term Home Rental

Many property owners are concerned about the assumed lack of on-site, White Bluff lodging for the upcoming holiday seasons. The Board has decided to allow White Bluff homeowners who wish to rent their homes on a short-term basis to do so through 12/31/2017.

Homeowners who choose to take advantage of this must notify the WBPOA office and provide our staff with full information regarding who will be renting the property as well as the dates of rental.

It will be the responsibility of the homeowner to assure that the renters comply with all White Bluff rules and regulations and also understand that violations that may occur are the responsibility of the homeowner.

It is our hope that this decision may make it possible for property owners and guests to enjoy our beautiful property even though normally available lodging may be restricted.
