RE: Administration Building

White Bluff volunteers have been diligently getting the Administration Building ready for occupancy. They have scrubbed, vacuumed, hauled away trash, cleared out dead plants in the beds and now are finishing up painting all of the offices, rooms and hallways!

This email communication is a call for volunteer(s) who can lay floor tile. Tile has been purchased for the kitchen floor, break room, and a small area in the entry, and we're asking for volunteers to lay it.

If you can help and want to volunteer, please contact Travis Bryan-
