TO: White Bluff Homeowners
RE: Acquisition of DD Lot Inventory

A number of homeowners have inquired about whom to contact regarding the possible purchase of previously owned Double Diamond lots. The requests have been primarily from homeowners who are interested in contiguous lots to their property. This email is to accommodate those who have inquired as well as those who may have an interest in any of these lots.

As was previously announced, Conlon & Co. purchased all of the remaining assets DD owned in the White Bluff Resort.

If you or a family member has an interest in possibly acquiring one or more of the lots they purchased from DD, their ownership representative will be "on site" beginning Wednesday of next week. Prior to officially offering lots to the public, WB property owners are being granted the opportunity to purchase any of the acquired at a lower price than will be offered for sale. Conlon and Co. is committed to being good neighbors and the continued renaissance of White Bluff.

If you have any questions or an interest in discussing specific property, you can contact their ownership representative directly:
