TO: White Bluff Property Owners

RE: COVID and Golf

Because of the spike in COVID cases, some golfers are requesting to ride in single carts. Effective tomorrow, November 20th, the following adjustments will be made regarding use of carts:

1. Property Owners using comp rounds will pay \$30 + tax if playing in a single cart.
2. Non-Property Owners will pay \$35 + tax if playing in a single cart,
3. Property Owners on the unlimited golf program will pay a fee of \$8 + tax if playing in a single cart.

Golfers who choose to play two to a cart are strongly encouraged to wear facemasks. All golfers are also encouraged to practice social distancing- before, during and after playing golf.
