FROM: Your Board of Directors

Leonard Critcher, President

RE: Unsolicited Purchase of Multiple Lots

Your POA Board has received numerous emails from WB property owners indicating that they are receiving unsolicited offers to purchase their lots from a firm out of Austin. The common question is whether Mike Ward/Double Diamond is behind these solicitations. Simply stated, the Board does not know.

The POA Board respects the right of all property owners to make independent decisions relative to the sale of their property at White Bluff.

Your Board is continuing it's efforts in bringing resolution to the current situation at White Bluff and asks for your support as we proceed with objectivity, dignity, and a vision for making White Bluff great again.
