TO: White Bluff Property Owners

RE: Mulligan's Closure

Due to positive COVID-19 tests involving our staff, Mulligan's will be closed today beginning at 2:00 PM.

We had announced the restaurant would be open on December 26th; however, because of the incubation time associated with COVID Mulligan's will also be closed on that day.

We apologize about this inconvenience and know that it affects numerous property owners and guests who wished to celebrate the season at Mulligan's. We sincerely apologize to all those who will be affected by this decision, but the health and safety of our staff, property owners and guests must be addressed.
