RE: Mulligan's

With the expectation of a spike in Covid 19 cases due to the holiday season, Mulligan's will reopen on Wednesday December 30, 2020 for Take Out only.

The health and safety of our Property Owners and staff is our main priority.

We will review this on a regular basis and make changes as they can be implemented safely.

Thank you for your continued support as we move forward.

Mulligan's will be available for Take Out
