TO: White Bluff Property Owners
FROM: Your Board of Directors
RE: Open Board Position

The Board met yesterday afternoon in a Work Session in order to thoroughly discuss each candidate who expressed an interest in serving for the unexpired term of former Board member, Mike Ellis. Each candidate's submitted biographical information was reviewed and discussed. We were blessed with property owners who not only had a genuine desire to be of service to our community and the future of White Bluff but who also had wide and diverse backgrounds of involvement, education, experience and expertise. The Board did not have an easy decision with so many quality candidates, more than we have had in the last several years. This incredible interest is certainly indicative that our community is headed in the right direction.

The Board voted to select Teal Lang to fill the open position. Teal will be seated on the Board at next Saturday's Open Board Meeting. We are excited about what she will add to the efforts of the Board. Her background in real estate law and business operations will be invaluable as we all work together to ensure the future of White Bluff.

The Board is grateful to those who expressed an interest in serving.
