TO: White Bluff Property Owners
FROM: Your Board of Directors
RE: New Homeowners Welcome Packet

Your Board received valuable input at last Saturday's Town Hall Meeting, and one of the items discussed was providing more comprehensive information about White Bluff for new homeowners.

We have appointed Terry Boyer to chair a committee that will review the current packet and make recommendations for its improvement. We have also asked Terry's committee to develop an information packet for visitors to our resort.

Please read the following from Terry:

I am pleased to chair this most important committee and am requesting input from our property owners. **Please email me your suggestions regarding content you think should be included in the Welcome Packet.**

Our objective is to provide the information new homeowners need to fully integrate into our wonderful community. Your help will be vital.

Please email your suggestions to me at boyercnt@yahoo.com. Additionally, if you would be interested in serving on this committee please let me know!

Thank you in advance for your assistance.

Terry Boyer
