

Members and Friends of White Bluff Resort,

Many of you have asked about the condition of the greens following the unprecedented freeze we had. You may have noticed a difference in colors in greens, with the darker areas showing healthy turf and the lighter shiny turf is turf that was stunted by the deep and prolonged freeze. According to Michael Shelton our Director of Agronomy, our weaker areas in the greens are now starting to respond with the warmer temperatures. It will take some time, and yes some areas many need to be replaced with sod, but we are remaining very optimistic overall.

We still have a few shirts on the 25% off rack in the New Course golf and a few adidas shoes at the Old Course. New styles of Puma have arrived, as well as shirts from Callaway, Greg Norman. Be sure to stop in the golf shops check the new arrivals. Remember that we can always special order your size or style.

Both golf shops are now open from 7:00am to 7:00pm. If you have a late afternoon or early evening starting time, please be on time as no golf carts or range balls will be sold or issued after the golf shops are closed. The days of operation at each course are ----

The Old Course is open Friday, Saturday, Sunday, Monday and Tuesday

The New Course is open Wednesday, Thursday, Friday, Saturday and Sunday

As we are getting more and more players, both POA members and guests, the golf shop attendants will be pairing up singles and two-some's to complete tee times when busy. Please do not just assume you will be playing by yourselves. Those players who constantly make tee times for 4 players and only show with 2 players to circumvent the policy will be blocked from making tee times when busy.

Our new Tuesday Night 3 Person Scramble is held at the Old Course each Tuesday night, and has been a great success so far with 54 players each week. You make your own teams and we play a 9 hole tournament. Scoring is done using a modified Peoria system. There are cash prizes for both gross and net winning teams, closest to the hole for both individual and teams and a preputial skins pot for pro shop merchandise and hole-in-ones. All men play from the Silver tees and the women play from the Red Tees. We also allow women 65 years of age and older to play from the Orange tees. Entries begin Saturday by phoning the Old Course or by emailing mhicks@whitebluff.com. Come join the fun.
