RE: Voting Reminder!

White Bluff Resort has been nominated for Best in DFW for Outdoor Adventures under the category Things To Do. It is vital that ALL property owners vote each day and ask their friends to do so also. Post on your Facebook account! We have an incredible opportunity to showcase all that has been done and will be done to solidify us as The Best In DFW!

Please go to www.votebestindfw.com. Scroll down to "Things To Do." Click on Outdoor Adventures and follow the simple instructions. You can (and should!) vote each and every day until the voting is over on September 2nd. It appears that you can actually vote twice if you vote once from your computer and then vote from your cell phone. Thanks to everyone who is supporting this effort to bring incredible visibility to our wonderful resort, visibility that will be a catalyst for the wonderful growth we are experiencing. White Bluff Strong!
