RE: Mulligan's

Due to a surge in employee COVID, Mulligan's will be closed for the next five days. We will re-evaluate our hours of operation on Tuesday, January 4th after our employees have progressed through our COVID protocols.

At this time our service personnel have not tested positive, but we will continue monitoring.

Because of the above circumstances, the 19th Hole Grill at the Old Course will be open daily from 8:00 AM to 6:00 PM beginning Friday, December 31st.

Thank you for your support, and we apologize for any inconvenience.
