

February 21, 2022

TO: All Property Owners
FROM: Bill Finney
SUBJECT: Golf Course Schedule

Due to the impending arrival of our next arctic blast, we will be covering the greens again.

The New Course will be open Tuesday for Tee Times until 12:00. We will then cover the greens Tuesday afternoon in anticipation of freezing rain Tuesday night and Wednesday Morning.

We have decided to err on the side of caution in order to protect our courses.

We will update you as we move through this next period of bad weather.
