To our White Bluff family and friends,

The White Bluff Volunteer Fire Department will be selling burgers and hotdogs at the P.O.A. Independence Day Fireworks on Saturday, July 2nd at the Cascade Pool parking lot.

Cash or Credit Card will be accepted.

We will be offering drive thru and walk-up lines.

Simply tell us when you order, which item and how many you want.

If you like to preplan, you may print out this letter and bring the lower portion with you.

All orders will be bagged for easy carry out.

We are encouraging everyone to minimize the number of people in your group standing in line at the walk up table.

We look forward to serving you during this celebration! Thank you for your support. All monies collected go towards the upkeep of our vehicles and building.
