

Fellow White Bluff Property Owners,

One of the members of the White Bluff Board of Directors has submitted his resignation effective July 18, 2022 due to relocation outside the White Bluff area. The Board's plan is to fill the position as soon as possible following the effective resignation date.

The White Bluff Board of Directors holds numerous work sessions and committee meetings to address plans and policies needed to guide the continuous improvement of White Bluff Resort. Two major policy initiatives to be addressed over the next few months are long-range planning for the resort, and the development and implementation of a comprehensive marketing plan. The Board will also begin work on a long-term capital budget and reserve study once a long-range plan and marketing plan have been completed.

If you are willing to volunteer 15 to 25 hours per month for the betterment of White Bluff, please submit a letter requesting consideration for the open board position together with your resume to Joe Manders, WBPOA Board Secretary, no later than July 10, 2022. These documents may be submitted via email to jmandersjr@aol.com.

Should you have questions or need clarification, please contact me at fletcher73@windstream.net.

Best regards,

Jim Fletcher, President
Board of Directors
