TO: White Bluff Residents  
FROM: White Bluff Board of Directors  
SUBJECT: Burn Ban

White Bluff Residents,

Security Chief Kyle Nevil was just notified that all of Hill County is now under an official burn ban. Due to the drought and the tall, dry vegetation including grass, wild shrubs, and trees, our fire danger is extremely high. Please exercise every precaution to avoid causing a fire, and remember that personal use of fireworks anywhere within White Bluff Resort is forbidden at all times. If you spot a fire, please immediately call 911 to report its location.

Best regards,  
Jim Fletcher, President  
Board of Directors  
White Bluff Property Owners Association
