TO: White Bluff Property Owners
RE: Golf Operations Recognition

We are pleased to announce that Golf Now has announced their new golf course rankings based on actual ratings from thousands of actual golfers.

The New Course was ranked as the 27th Best Course in Texas, and our two courses were recognized as the 7th best courses overall for Pace of Play.

This is a real tribute to the incredible work of Michael Shelton, Golf Course(s) Superintendent and Keith Harris, Director of Golf Operations.
